OBJECTIVE

Full-stack Java developer with knowledge in Java/J2EE, frontend development and database management, seeking a challenging role to utilize my skills in delivering high-quality software solutions and contribute to the growth and success of an innovative organization.

PROJECTS

EazyBids | Code**: LINK**
EazyBids is a Java-based **Tender Management System** that facilitates companies to float tenders, while empaneled vendors can bid for services/merchandise, streamlining the process and order placement.

- Designed and developed a Tender Management System called EazyBids.
- Implemented the system using Java, JDBC (Java Database Connectivity), Servlets, JSP (Java Server Pages), and MySQL, Html5, CSS3, JavaScript / ES6.
- Created two user roles: Administrator and Vendor.

Impact: The EazyBids optimizes the tendering process, enhancing efficiency for companies and vendors while improving procurement procedures.

Netflix Clone (Frontend) | Code: **LINK**
Cloned Netflix home page with responsiveness to enhance my practical knowledge in frontend development.

- Developed responsive Netflix clone utilizing HTML5, CSS3, and JavaScript / ES6.
- Developed the responsiveness using CSS media query for different device sizes.
- Implemented features such as content rendering & interactive UI, resulting in a visually appealing and user-friendly experience.

Impact: Learnt how to effectively use media query of CSS3 to create responsive websites and compare it with Bootstrap responsiveness

TECHNICAL SKILLS

Programming languages: Java/ J2EE, JavaScript**,** ES6 (ECMAScript)
Frontend: HTML5, CSS3, SCSS, JavaScript, ES6, Bootstrap 5
Backend: Java/J2EE (Servlet, JSP)
Database: SQL
        Relational: MySQL
Persistent Technology: JDBC
CI / CD Tool: GitHub
Tools / IDE: Eclipse, Visual Studio Code, Postman, SQL-Yog, SQL++

EDUCATION

A.V. College of Arts Science & Commerce   Hyderabad
Masters of Computer Application   September 2023
CGPA: 7.96/10

Bhavans New Science College   Hyderabad
Bachelors of Science, MSCS   August 2021
CGPA: 8.77/10

COURSE/TRAININGS

- Completed Full Stack training including Java, J2EE, JSP, SQL, and Web Technologies at Pentagon Space, Bangalore.
- Great Learning java Certification. **LINK**
- Udemy Git Certificate, Proficient in Git version control and collaborative workflows. **LINK**

EXTRA-CURRICULAR ACTIVITIES

- Participated National Youth Parliament by Ministry of Parliamentary Affairs, Govt of India.
- Achieved 2nd place in essay competition, recognized for thoughtful and eloquent expression.
